VERSION 18

empowerment

Scan Display is committed to Black Economic Empowerment.

The Scan Display BEE Trust was established in 2005 to empower previously disadvantaged staff members who are involved in the day-to-day running of the business.

Scan Display works closely with a number of SME companies, including The Soweto Sewing Company, Future Link, Easy Couriers and Sipiwe Display Solutions, to assist with their growth and development.

Scan Display implemented internship and workplace skills development programmes in 2016. The aim of the internship programme is to provide unemployed graduates with an opportunity to gain exposure to the work environment, helping them acquire skills, and empowering them to secure future employment. Our workplace skills programme aims to uplift permanent staff members by helping them to acquire new skills.

In 2017, the company was a finalist for the Skills Development Award in the Oliver Top Empowerment Awards Programme.

Scan Display is a Level 2 contributor on the BEE Scorecard.

greening

Scan Display is committed to promoting sustainability in the exhibition, events and retail display industries.

Scan Display encourages clients to use green stand design principles and eco-friendly products, including LED lighting, re-useable aluminium frames and re-usable fabric branding.

Scan Display's Managing Director, Justin Hawes, is a co-founder of the Event Greening Forum, an association established to promote greening practices in the events industry.

Scan Display received an UFI (The Global Association of the Exhibition Industry) Sustainable Development Award in 2013 and 2017. This accolade highlights the company's commitment to green practices in its operations. Scan Display has also won several Exhibition & Event Association of Southern Africa (EXSA) Green Stand Awards over the years.

Scan Display is committed to:

Delivering excellent value and satisfying our clients' needs through honesty, transparency, creativity, reliability and professionalism;
Achieving sustainability, security and safety in our workplace, and encouraging the upliftment and empowerment of all our people.
