

SCANDISPLAY

// Scan Display

Founded in 1996, Scan Display is a leader in the Southern African exhibition, events and display industries, specialising in award-winning exhibition stands, brand activations, and event and exhibition infrastructure.

xylem
Let's Solve Water

// Modulbox

The Modulbox is a versatile solution-in-a-box for exhibitions, events, displays and retail applications.

Rental packages are available, with the benefit of discounted rates for repeated use.

// Features

The Modulbox is a portable cube (width 2.45m, length 2.45m, height 2.8m), ideal for easy transportation on a truck.

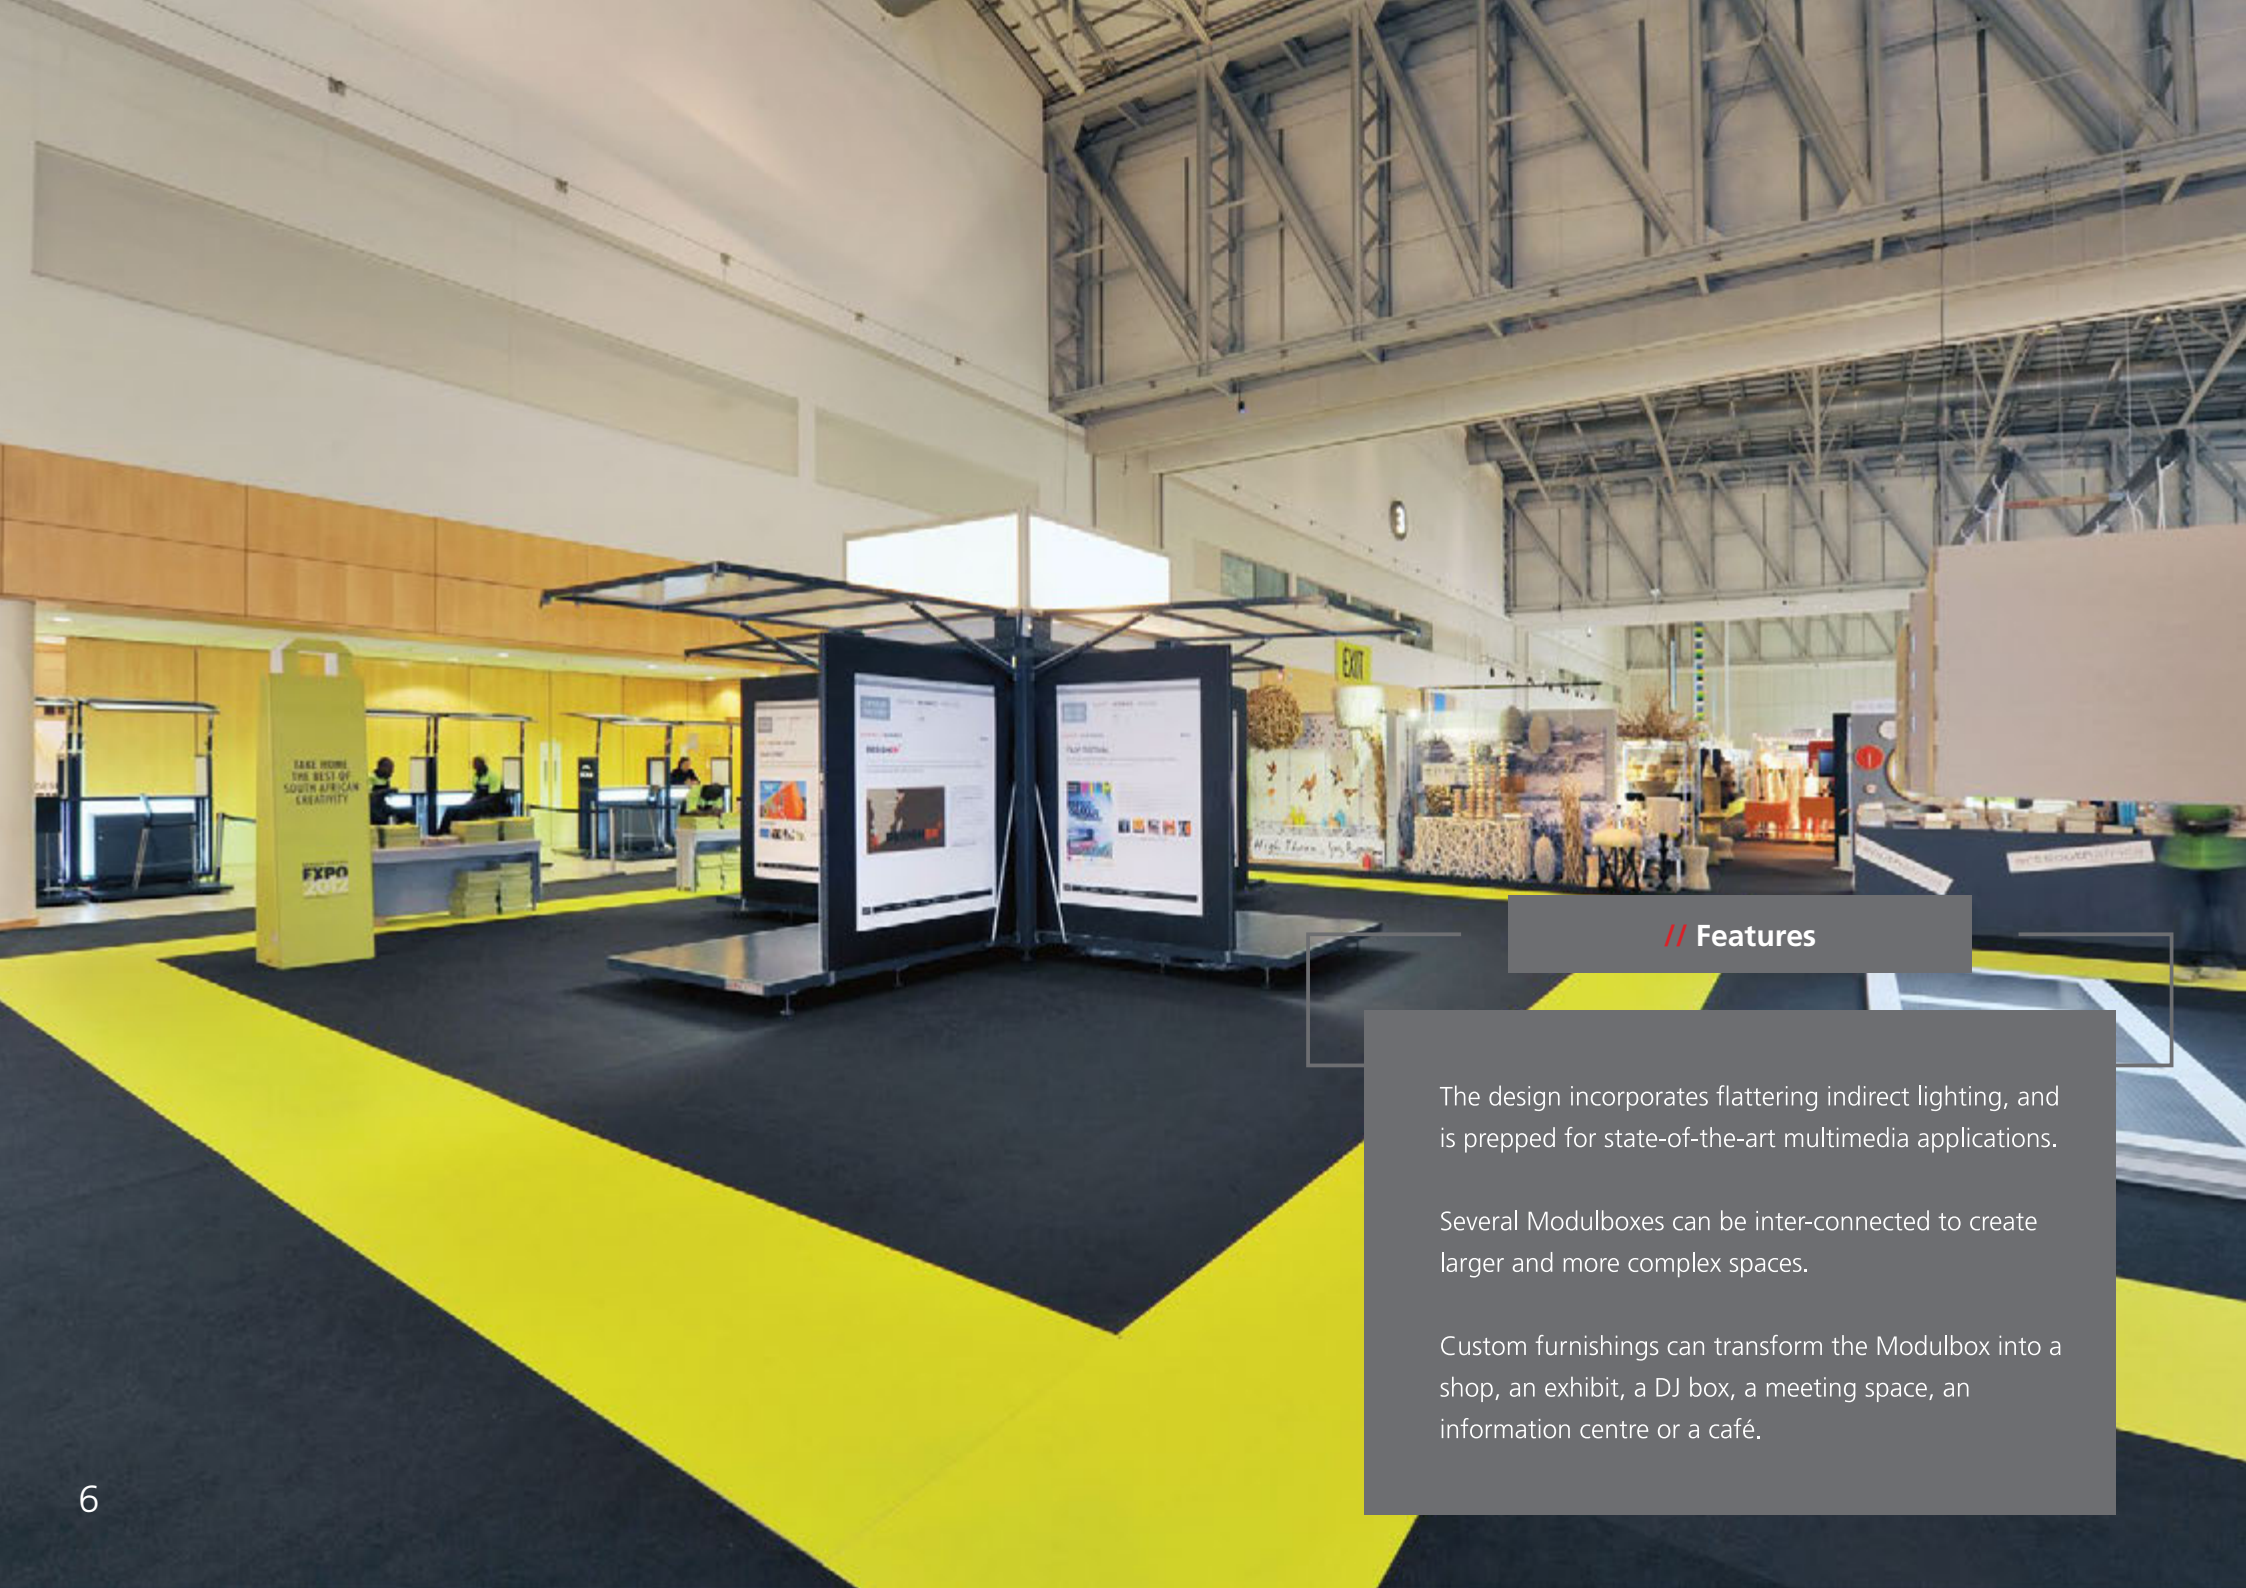

In a few simple steps the cube can be transformed into a usable space, making set-ups and break-downs quick and easy.

// Features

Once opened up, the space provides a large, highly-visible surface area for maximising brand exposure. The roof flaps can extend to a height of approximately five metres.

The Modulbox is ideal for indoor and outdoor settings.

// Features

The design incorporates flattering indirect lighting, and is prepped for state-of-the-art multimedia applications.

Several Modulboxes can be inter-connected to create larger and more complex spaces.

Custom furnishings can transform the Modulbox into a shop, an exhibit, a DJ box, a meeting space, an information centre or a café.

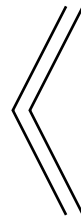

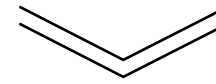

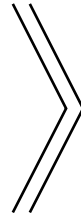

// Applications

The Modulbox is Ideal for a variety of applications:

- o Events
- o Exhibition stands
- o Golf days
- o Mobile bars
- o Retail activations
- o Brand activations
